MELBOURNE CUP PREVIEW

A number of Kurrinda Bloodstock owners joined us at the Randwick TAB Official 2YO Trials to watch two of our babies step out for the very first time.

HIDDEN MOTIVE (Capitalist x Secret Agenda) ran 2nd in Trial 3 has since been nominated for the \$250,000 Breeders Plate on October 5th.

Dylan Gibbons post race "for a 2 year old having his first day out, that's pretty well as good as they can go, so, very pleased with him, he gave me a good strong feel and he's nearly ticked every box".

NO WOMAN NO CRY (Microphone x Miramare) was an impressive 4th in Trial 7 and is indicating the he will get out to 1400m-1600m in time. Adrian Bott post race "No Women No Cry was very good today, he did everything right".

ON THE TRACK

SUPER NORWEST

31/8 Rosehill 1400 C2 Highway 1st by 0.43 lengths

After 3 consecutive placings this time in, it was Supers time to shine. After jumping well, Tim Clarke took a trail in 5th position on the fence. He angled her one off approaching the turn and 3 wide at the top of the straight and she sprinted well to put the race away in a good solid win.

SATIN STILETTO

7/9 Moonee Valley 1200 LR Atlantic Jewel 6th beaten 3.23 lengths

Satin Stiletto was rated a \$17 chance and that's ultimately where she finished. Jumping well enough to commit to going forward Josh Parr was caught 3 wide around the bend. Ultimately our brave filly faded in the last 150m. It was credible to finish 3 lengths off the winner considering she had no luck from an awkward barrier.

SOVERIEGN DANE

8/8 Sunshine Coast 1400 BM65 8th beaten 19.8 lengths

In Stuart Kendricks post race words "not the race we were expecting". Instructions for Cody Collin were to lead however Sovereign Dane was caught in 3rd position in a very slow tempo, He checked heels and nearly came down. He unfortunately went a miss and he has torn his glute so he is now back in the paddock.

BOSTON ROCKS

18/9 Canterbury 1100 BM72 1st by 0.07 lengths

Boston capped off a stellar campaign winning the Ranvet Handicap at Canterbury. A drop in class and favourable speed map saw him backed into \$2.80 favourite. Tim Clarke still had plenty to do as he took a trail behind a fast tempo. Boston balanced up and rocketed down the outside for an impressive win. The race rated 3.5 lengths faster than a standard B72.

Half Crown

27/9 Sunshine Coast 1400 BM65 4th beaten 2.3 lengths

Ran a very respectable 4th given 1st up over 1400 with 59.5KG. We'll look forward to seeing where Stuart Kendrick places him next. Perhaps up in class and down in weight.

Bombay Boom

30/9 Warwick Farm 821 2YO C&G Trial 1st

Despite not enjoying the Heavy 8, it was exciting for Bombay Boom to win his first ever trial with relative ease. Mathew Dale is planning to give him a few weeks at the farm and target pre-christmas racing in Brisbane where he is eligible for strong early 2YO prize money and QTIS bonuses

Our striking (Capitalist x Secret Agenda) colt has been cleverly named "HIDDEN MOTIVE". Trained by Nathan Doyle, we're hopeful he'll make it to the races as an early 2YO
