HTBA SALE

ON THE TRACK

OFF 'N' RACING PODCAST

KB OPEN DAY

Kurrinda Bloodstock attended the HTBA (Hunter Thoroughbred Breeding Association) Yearling Sale at Riverside Stables last Sunday 27<sup>th</sup> April. We purchased our 16<sup>th</sup> and 17<sup>th</sup> yearlings for 2025. Pictured above is Boston Rocks, who we purchased from the HTBA sale in 2022. Boston Rocks has won 6 races, \$431K in prizemoney, and will be a genuine contender in the 2025 Kosiuszko. At this year's HTBA sale we were very pleased to secure a Cosmic Force filly who will be trained by Nathan Doyle at Newcastle, and a Prague colt who will be trained by Matt Dale at Goulburn. The Prague colt was raised at Rheinwood Pastoral (same farm as Private Harry, Lance Corporal and our Captivant filly). We believe we've purchased an outstanding crop and enjoying watching them grow at our farm.

# Kurrinda BLOODSTOCK ON THE TRACK

Satin Stiletto  
5/4 Caulfield 1200M - 9th

Tom Prebble was assigned and we believed Satin Stiletto was well placed in Melbourne Saturday metro company. The map was perfect and after jumping well our twice stakes placed filly was in the lead at the 400M mark. Unfortunately she felt the firm track and was beaten 5.3 lengths

Sovereign Dane  
6/4 Sunshine Coast 1200m - 3<sup>rd</sup>

Sovereign Dane had a promising return to the races after a long layoff due to injury. It was a pleasing result for his owners first up and we look forward to his preparation.

Crown Guinea  
6/4 Sunshine Coast 1200m - 1st

What a training performance. Stu Kendrick had our Capitalist mare place third 1st up at 50-1, and she was never going to be beaten 2<sup>nd</sup> up at 7-1. Fantastic result.

So You Pence  
8/4 Goulburn 1200m - 1st

Our owners have been extremely patient to wait for our 5YO So You Think mare to the races for only her 4<sup>th</sup> start. So You Pence was well found starting \$1.35 SP. What a training performance as she peeled off at the top of the straight and won by 7 lengths. "This is a space job" proclaimed Anthony Manton. So You pence will pop up at the Wagga carnival 2<sup>nd</sup> May.

## ON THE TRACK

### Hidden Motive

16/4 Warwick Farm 1200M - 2nd

All trainers pride themselves on strike rate. Hidden Motive was 1<sup>st</sup> up from a good break and Nathan Doyle believed Warwick Farm was the best choice. From a wide barrier Hidden Motive rolled forward and controlled the race.

The nature of 2YO racing is that you don't always know who you're up against. The Michael Freedman trained Aerodome may be quite smart, we gave him the perfect tow into the race but we were a very competitive 0.3 Length 2nd carrying 1.5kg more than the winner.

### Half Crown

20/4 Sunshine Coast 1200m - 3rd

It's not often we have 2 horses in the same race, but this was the case given an abandoned meeting a week earlier. Montana Philpot was assigned to do the steering. Half Crown thrived in the soft conditions and ran on for a strong 3<sup>rd</sup> beaten 1.1L

### Crown Guinea

20/4 Sunshine Coast 1200m - 4th

Crown Guinea was well found in the market at \$3.4 SP since her last start win. She jumped well but over raced mid stages and got tired late.

### Hidden Motive

26/4 Randwick 1100m - 3rd

Second up syndrome here, 10 day back up on a soft track after a career peak performance he was found out. Hidden Motive is a stakes class/Saturday horse every day of the week we will look for a kill now and tip him out to mature and possibly geld.
